« Where knowledge is a duty, and excellence is a Right »

November 7<sup>th</sup> of 2016

To whom may concern,

After extending our greetings, please allow me as Founding President of the Dominican Law Students' Association (DLSA); *a non-profit, independent and international entity*, to say that there' is no doubt that Mrs. Gaik is an outstanding professional; her expertise and technical knowledge regards philology is exceptional and impeccable. Not only is her understanding of this art unblemished, but also the familiarity to the Latin culture puts her above average.

Therefore we hereby recommend Mrs. Monika Gaik as a professional on the field of Philology.

Warm regards,

**Antonio F. Pontier**  
Founding President  
DLSA
